**EXPERTISE**

Virginija is a certified intimacy coordinator known for her empathetic approach to choreographing intimate scenes. She ensures safety, consent, and respect while aligning closely with director's creative vision. With experience on international productions for Apple TV+, Disney+, and national theatres, she brings professionalism and cultural sensitivity to every set. As a member of Baltic Intimacy Professionals, she educates industry professionals on intimacy coordinating and advocates for its recognition at international events. Her background in performance and filmmaking enhances her understanding of storytelling and actor collaboration.
